Dear OLLI Member:

Welcome to the new Destiny One platform that we will be using for Osher LLI at Tufts. We have created a video and instruction guide to make this process as easy as possible.

**We highly recommend** watching the video before you get started (it is only about three minutes). We also recommend having the instructions guide open as you begin the registration process. This guide was created to address as many possible questions as we could, provide clear screenshots and instructions, etc.

A few notes before you get started:

1. This is a brand-new system for us, so even if you may have registered and/or paid on our portals before you will be registering as a new user. You will need to set up a new account.

2. Only those fields marked with a red asterisk (*) need to be completed. The sections on ‘Race/Ethnicity’ and ‘Education’ are optional and do not have to be filled out.

3. The ‘Policies and Disclosures’ section must be answered, but your answers will not affect membership status or your registration in any way. This information is needed for internal reasons by the University.

4. Once your account has been created, you will **not** need to create another one again. This is a ‘one time’ process. You will be able to use your account for all future study group registrations.

As always if you have questions or problems we are here to help you! Feel free to reach out to us at osherlli@tufts.edu.

Best,

Callan and Kathy
